It's 404, but you can't create it (shows yellow status) which means that it was deleted by reentry admins due to reports, not by fiz.

surely youre baiting-
AAAAAIIIIIIEEEEEEE

A screenshot of a web browser window. The address bar shows the URL "herdly.org/mvpss.org". The main content area is dark gray and displays the text "Error" in a large font, followed by "404 Not Found" in a smaller font.

surely youre baiting-
